We are one of the best equipped Florists in most any city of the size of Cleburne to handle funeral orders and would appreciate you giving us a trial when in need of this service.

We grow quite a lot of the flowers we use thus being in position to sell at more reasonable prices, the varieties we do not grow we buy direct from the growers in Florida, California, Colorado or where we can get the best flowers at the best prices and always pass the saving on to our customers.

We have two large refrigerators to keep our flowers fresh, and are equipped to make deliveries to surrounding towns when the order justifies or we can make connection by express or bus.

We specialize in pot plants and containers for hospitals, sick rooms and any occasion.

We are a member of T. D. S. and wire flowers anywhere.

ONE OF THE STATE'S MOST DEPENDABLE NURSERIES

To Our Customers . . .

You should know that the Friou Floral & Nursery has specialized in the growing and shipping of fine nursery stock for over twenty years and we believe that finer Nursery Stock cannot be bought or grown. Considering our standard of quality and war conditions, under which we must operate, our prices are reasonable.

We wish to call your attention to our very complete stock of fruit trees, shrubs, roses, etc. We have many more items in our nursery that are not listed and would be glad for you to call or write us for anything that you may need.

WE INVITE YOU . . .

To visit our nursery, select your stock, and ask us any questions that you would like to know. We, or any of our workmen, can help you in this way. We are always glad to see you come back, in fact, "come-again" patronage has helped build our nursery to its present size.

LANDSCAPE SERVICE . . .

We are equipped to give a complete landscape service, supervised and handled by men that know their business. We would be glad to call on you if you are interested.

LOCATION . . .

1114-16 East Henderson Street, Dallas Highway No. 67.

STOCK . . .

All stock listed is First-Class Nursery Stock. It has been State inspected and declared apparently free from disease. Our stock will be graded according to the standard of grading of the American Association of Nurserymen.
